

Kids Club

Welcome to the Moshiri Orthodontics Kids Club!

We are so happy to have you in our Observation Program! Even though you're not ready for braces or other treatments just yet, it's important to check in with us every 6 months to keep an eye on your skeletal structure and teeth to make sure everything is growing and developing just right.

Every time you visit, don't forget to bring your special **Kids Club Card and lanyard**! Each time you come in for your observation appointment, we'll punch your card and you'll get closer to earning some really cool rewards!

Here's what you can look forward to:

Year 1	• 2 punches – Treasure Chest
Year 2	• 4 punches – Plinko Game
Year 3	• 6 punches – Candy Wall
Year 4	• 8 punches – Prize Wheel

We love seeing your smile grow, and we're excited for you to collect punches and prizes along the way! Remember, the more punches you collect, the more fun rewards you can win. So don't forget to bring your card to every appointment!

See you at your next visit!

Sincerely,

The Moshiri Orthodontics Team
